

Eligibility and Race Descriptions

Race eligibility is determined by each player's resident unit and masterpoint holding at the beginning of the calendar year. Furthermore, in order to participate in and receive recognition for achievement in masterpoint races the player must be a member in good standing and all membership dues or service fees must be paid.

THE HELEN SHANBROM ACE OF CLUBS award is given to the person who won the most points at the club level (STaC tournaments not included). For 2022, this includes points won at sanctioned games held at ACBL Virtual Clubs (VACB). Beginning in January of 2023, all points won at VACB games are to be counted in the new **ACE OF VIRTUAL CLUBS** race and are not to be counted in **THE HELEN SHANBROM ACE OF CLUBS** race.

MINI-MCKENNEY award is given to the person who won the most points in total including points won in tournaments and at VACB games. It is rumored a virtual race may be created in the future if the **ACE OF VIRTUAL CLUBS** race proves to be beneficial and functions as expected.

Points awarded at BBO sponsored games are not included in the results of either race.
